PROFILE SUMMARY

- I consider myself a responsible and orderly person. I was passionate about my studies, and I have interest in learning new technologies with a moderate of computer knowledge I got. I am looking forward for my first work.

PERSONAL PROJECTS

Tea time static website building using html and css (2023)

Website Link :-

<https://aathijegannathan2003.github.io/Teatime/>

- In this project, I designed and developed a responsive Tea time website using Html and Css. The goal was to create an engaging and user friendly platform that allows users to browse a variety of tea products, variety of tea and history of tea have on both desktop and mobile services.
